I, \_\_\_\_\_ in good faith, am applying for scholarship assistance towards registration fees, in order for my child to be able to play Recreational soccer for Valley Premier FC. It is understood that the scholarship assistance is based on and limited by funds budgeted. It is also my understanding that this scholarship does not cover other costs such as uniform items nor does it cover individual team fees such as tournaments, trophies, Jamboree or coaches gifts. I also understand that VPFC uniforms items must be purchased through the club. If you are already in possession of the current VPFC uniform, you do not need to purchase a new one.

In order to keep the scholarship, if granted, I understand that the following requirement needs to be adhered to:

1) A minimum of 10 hours of volunteer duties and a completed log form to track volunteer activity.

Please check all area(s) where you can help!

Head Coach       Team Parent       Jamboree       Admin. Help       Fundraising

Asst. Coach       Field Maintenance       Referee       Concessions       Special Projects

I understand that failure to adhere to these requirements will result in the scholarship being revoked and I will be responsible for the balance of the registration fees.

I hereby certify the copied documents and information provided in this application are correct and complete to the best of my knowledge.
